

How to Donate Shares to The Stop

Thank you for considering donating shares to The Stop Community Food Centre. It's a great way to support our work increasing access to healthy food in a manner that maintains dignity, builds community, and challenges inequality.

Here's how to proceed:

1. Please fill out the required information on the following page, entitled "Transfer of Shares," then sign and date the form.
2. Send a copy to your broker where the shares are held with instructions to execute the share transfer. Please note that in order to benefit from the elimination of tax on capital gains on donated shares, the shares must be transferred "in-kind" and not cashed.
3. Please scan and e-mail to donate@thestop.org. We will inform The Stop's broker of the transfer.

Once the securities are received in our account, The Stop will issue a charitable tax receipt based on the value of the shares the day they were received.

Please contact us at donate@thestop.org, 416-669-8504 if you require further information.
